§ 3 Specification and Capacity of the Base Contract

- (1) The additional *bundled capacity* defined in § 2, section (1) is assigned to the Base Contract. The *capacities* below therefore define the scope of services of the Base Contract existing for the *service period* of this supplementary agreement:

Overall Capacity (Base Contract and Supplementary Agreement “Hub Trading Flat”)

Period 6:00 a.m. – 6:00 a.m.	WGV GWh	IR MWh/h	WR MWh/h	Interruptibility
[...] – [...]	[...]	[...]	[...]	firm

§ 4 Additional Fee

- (1) The *customer* shall pay to VGS for the additional provision of the additional *bundled capacity* defined in § 2, section (1) the *capacity fee* set out in the following table:

Period 6:00 a.m. – 6:00 a.m.	Capacity Fee €/Gas Day
[...] - [...]	[...]

The fee payable according to the Base Contract shall remain unaffected.

- (2) The amounts listed in section (1) are net amounts. Additionally, the *customer* has to pay the value added tax (VAT) in the particular legal amount as well as any taxes and dues in accordance with the Base Contract.

§ 4 Miscellaneous

- (1) This supplementary agreement “Hub Trading Flat” to the Base Contract shall enter into force on the date of its conclusion.
- (2) If and insofar as this supplementary agreement does not contain deviating regulations for the Base Contract including its annexes, the terms of the Base Contract and its annexes shall remain in full force.
