Shippercode

Gas day

, 06:00 a.m.

Gas quantity

kWh

A transfer of gas quantities has to be aimed to the transfer and/or take-over of a gas volume in the last hour of a given gas business day¹ from Monday to Friday. The transmission of gas quantities by VNG Gasspeicher requires the submission of a completed form signed within business hours of VNG Gasspeicher (Monday to Friday, 9.00 a.m. to 4.00 p.m.).

* to be filled in by VGS

¹ Here and below, "gas business day" refers to the period from 06:00 on one calendar day to 06:00 on the next calendar day.

**Request for transfer of working gas quantities between
VNG Gasspeicher GmbH &
in the storage facility** – for storage customers

The form must be received by VGS no later than 2 p.m. of the working day that precedes the gas day on which the gas transfer will take place. Working gas quantities cannot be transferred with retroactive effect. The transfer of the gas quantities can only be approved if the customer also notifies the transfer of gas quantities.

Date Signature

Confirmation of Transfer of Gas Quantities

Please send the completed form duly signed to VNG Gasspeicher by Email:

operations@vng-gasspeicher.de
cliff.schoenemann@vng-gasspeicher.de
sales@vng-gasspeicher.de

VNG Gasspeicher coordinates with
if both storage operators agree.

and returns the signed form to you
